Seney National Wildlife Refuge Butterfly List

This butterfly list was developed from literature search and observations on the Refuge. Literature included: Nielson, Morgan C. 1999. Michigan Butterflies and Skippers: A Field Guide and Reference. Michigan State University. Bolded species that are likely or irregular in the Upper Peninsula added from: Mueller, Steve. 1994. Michigan Audubon Society Butterfly Field Checklist for Michigan. Ody Brook Enterprises, Cedar Springs, Michigan. Habitat information for bolded species from: Lotts, Kely and Thomas Naberhaus, coordinators. 2014. Butterflies and Moths of North America. http://www.butterfliesandmoths.org/. Highlighted cells indicates between besenved on the Refuge, acts once, according to the North American Butterfly Survey's of 1994-1996, 1998-1999, 2002-2004 for Fox River-Seney, Michigan. Conservation status: 1, Region 3 Conservation Priorities (USFWS 2002), 2, Regional Forester Sensitive (USFS 2003), 3, Michigan Special Animal (1999).

Common Name	Scientific Name	Habitat	
Swallowtails			
Black Swallowtail	Papilio polyxenes asterius	Old Fields, vacent rural and urban lots, framland.	
Canadian Tiger Swallowtail	Papilio canadensis	Pine barrens, aspen forest openings and edges,	
Whites & Suphurs			
Mustard White	Pieris napi	Floodplain forests and other shrubby wetlands and roadsides	
West Virginia White	Pieris virginiensis	Usually ristricted to Northern Hardowwed forests and edges.	
Cabbage White	Pieris rapae	Gardens, roadsides, old fields and disturbed areas.	
Checkered White	Pontia protodice	Old fields, sandy areas, railroad beds, and roads	
Olympia Marble	Euchloe olympia	Open woodlands, oak-pine barrens on sandy soils.	
Large Marble	Euchloe ausonides	Valleys, hillsides, fields, meadows, and other open sunny areas	
Clouded Sulpher	Colias philodice Godart	Open areas, clover and alfalfa fields, roadsides and disturbed areas.	
Orange Sulphur	Colias eurytheme	Open areas, alfalfa and red clover fields, right-of-way and wet areas	
Pink-edged Sulphur	Colias interior	Blueberry bogs and oak-pine barrens, recently burned	
Little Sulphur	Eurena lisa	pine barrens with abundence of blueberry, along trails Fields, roadsides and gardens, also Great Lakes coastal areas	
Harvester, Coppers, Hairstreaks, Blues			
Harvester	Feniseca tarquinius	Deciduous forests, flodd plains and alder-borderd	
American Copper	Lycaena phlaeas	stream banks. Old fields and disturbed areas, including weedy	
Bronze Copper	Lycaena hyllus	residental lots. Wet Meadows, marshes and stream borders with	
Bog Copper	Lycaena epixanthe michiganensis	sedges and wild iris Restricted to sphagnum-heath acid bogs	
Dorcas Copper	Lycaena dorcas	Wet meadows, fens, seeps, inland lake margins and	
Pupleish Copper	Lycaena helloides	some Great Lakes coastal areas. Roadsides, fields, disturbed areas, sedge marshes, and	
Coral Hairstreak	Satyrium titus	other wetlands. Open areas, forest edges, roadsides and old fields	
Banded Hairstreak	Satvrium calanus falacer	Forest openings and edges, old fields and roadsides	
Stiped Hairstreak	Satyrium liparops strigosum	Oak-pine Barrens	
Acadian Hairstreak	Satvrium acadica	Willow-lined streams, marshes, moist woodlands	
Brown Elfin	Incisalia augustinus	Sphagnum-heath bogs and pine-barrens in Northern	
Hoary Elfin	Incisalia polia	Oak-pine barrens, along great lakes dunes.	
Henry's Elfin	Incisalia henrici	Open oak-pine barrens, forest openings/edges and	
Eastern Pine Elfin	Incisalia niphon clarki	Swamp borders Open pine barrens, forest edges and roadsides.	
Western Pine Elfin	Incisalia eryphon	Coniferous forest edges and openings, along roads and	
Early Hairstreak	Erora laetus	trails bordered by white pine. Openings, edges and sun dappled trails in Northern	
Eastern Tailed Blue	Everes comyntas	hardwoods containing beech Prairies, old fields, pastures and disturbed areas with a	
Western Tailed Blue	Cupido amyntula	variety of legumes. Open areas with low shrubs including chaparral,	
Northen Spring Azure	Celastina lucia	meadows, and open woodlands Forest openings and edges and along forest trails.	
Northern Blue	Lycaeides idas nabokovi	Openings in pine barrens and on rock outcroppings.	
Silvery Blue	Glaucopsyche lygdamus	Open woods, coastal dunes, prairies, meadows, road	
Greenish Blue	Plebejus saepiolus	edges, rocky moist woods, and brushy fields Old fields, forest openings, and roadsides	
Brushfoots			
Variegated Fritillary	Euptoieta claudia	Meadows, disturbed areas, pastures, streamsides and	
Krautwurm's Fritillary	Speyeria cybele cybele	Forest openings and edges, forest roads and trails, and	
Aphrodite Fritillary	Speyeria aphrodite	old fields. Oak-pine barrens, upland fields, prairies and roadsides.	
Atlantis Fritillary	Speyeria atlantis	Canadian zone forest openings and edges, old fields	
Bog Fritillary	Boloria eunomia dawsoni	and roadsides. Restricted to open sphagnum-heath bogs	
Bog Silver-bordered Fritillary	Boloria selene atrocostalis	Bogs and adjacent trials and roadsides.	
Meadow Fritillary	Boloria bellona	Moist meadows, pastures, old fields and clearing being	
Frigga Fritillary	Boloria frigga saga	invaded by violets Sphagnum-heath bogs with dwarf birch	
Freija Fritillary	Boloria freiia	Open bogs, taiga, edges of open black spruce bogs,	
Silvery Checkerspot	Chlosyne nycteis	and pine forests Floodplain forest openings, meadows, marshes and	
Harris' Checkerspot	Chlosyne harrisii	roadsides Marsh edges, moist pastures, meadows, wet ditches	
Gorgone Checkerspot	Chlosyne gorgone	and roadsides. Open areas including ridges, prairies, streamsides, open	
		hardwood forests, old fields, and forest edges	

Northern Pearl Crescent	Phyciodes selenis	Forest openings and edges, old fields, streamsides and roadsides.
Tawny Crescent	Phyciodes batesii	Meadows, pastures, old fields, stream banks and roadsides.
Baltimore Checkerspot	Euphydryas phaeton	Brushy swamps, marshes, wet meadows and oak-pine barrens.
Question Mark	Polygonia interrogationis	Forest openings, edges and trails, roadsides and streamsides.
Common Merchant	Polygonia comma	Forest openings, edges and trails, swamps and streamsides.
Satyr Anglewing	Polygonia satyrus	Forest openings, edges, along streams, pine barrens and roadsides.
Green Comma	Polygonia faunus	Usually in coniferous forests and trails in Canadian Zones
Hoary Comma	Polygonia gracilis	Boreal forest openings and edges, stream margins and trails.
Gray Comma	Polygonia progne	Forests, swamps, pine barrens and trails.
Compton Tortoise Shell	Nymphalis vau-album j-album	Forest opeings, edges and trails.
Mourning Cloak	Nymphalis antiopa	Forest openings, edges, swamp, meadows, stream margins and roadsides.
Milbert's Tortoise Shell	Nymphalis milberti	Swampa nd marsh edges, meadows, wet pastures, stream margins and roadside ditches.
American Painted Lady	Vanessa virginienisis	Old fields, praries, meadows, disturbed areas and roadsides.
Painted Lady	Vanessa Cardui	Old fields, disturbed areas, pastures and meadows.
Red Admiral	Vanessa atalanta	Swamp openings and edges, marshes, meadows,
Buckeye	Junonia coenia	disturbed areas. and rural and urban gardens and Old fields, pastures, meadows, disturbed areas, coastal
White Admiral	Limentis arythemis	dunes and roadsides. Norhtern forest openings, edges, trails and roadsides.
Vicerov	Limentitis archippus	Marshes, meadows, stream and lake margins and
Satyrs, Wood Nymphs and Arctics		roadside ditches.
Northern Pearly-eye	Enodia anthedon	Deciduous forests, swamps and edges and along
Eyed Brown		Streams.
,	Satyodes eurydice	Open sedge, meadows and edges. Deciduous forests, openings, edges, oak-pine barrends,
Little Wood-Satyr	Megisto cymela	fens, and brushy old fields. Grassy, open areas including fields, meadows,
Common Ringlet	Coenonympha tullia	grasslands, and tundra Open Northern forests, grassy old fields, meadows and
Inornate Ringlet	Coenonympha tullia inornata	roadsides Prairies, meadows, brushey fields, disturbed areas and
Wood Nymph	Cercyonis pegala nephele	roadsides
Red-disked Alpine	Erebia discoidalis	Large, open, grassy bogs; other areas with acidic soils
Macoun's Arctic	Oeneis macounii	Openings in forests of western jack or lodgepole pine Open jack pine barrens, dry grassy openings and open
Chryxus Arctic	Oeneis chryxus strigulosa	
CHI YAUS AICUC	,	brushv ridaes.
Jutta Arctic	Oeneis jutta ascerta	Black spruce-tamarask-sphagnum bog openings and edges
		Black spruce-tamarask-sphagnum bog openings and ledges
Jutta Arctic		Dusary nodes. Black spruce-tamarask-sphagnum bog openings and edges. Old fields, meadows, prairies, disturbed areas and roadsides.
Jutta Arctic Milkweed Butterflies	Oeneis jutta ascerta	Black spruce-tamarask-sphagnum bog openings and edges Old fields, meadows, prairies, disturbed areas and roadsides.
Jutta Arctic Milkweed Butterflies Monarch	Oeneis jutta ascerta	Black spruce-tamarask-sphagnum bog openings and edges. Old fields, meadows, prairies, disturbed areas and roadsides. Open forests and edges, brushy fields, oak-pine barrens and roadsides.
Jutta Arctic Milkweed Butterflies Monarch Skippers	Oeneis jutta ascerta Danaus plexippus	Black spruce-tamarask-sphagnum bog openings and edges Old fields, meadows, prairies, disturbed areas and roadsides. Open forests and edges, brushy fields, oak-pine barrens and roadsides. Open forest, especially aspen in Northern areas, edges, cut-over forest brushy fields, boas, disturbed areas and
Jutta Arctic Milkweed Butterflies Monarch Skippers Northern Cloudy Wing	Oeneis jutta ascerta Danaus plexippus Thorybes pylades	Black spruce-tamarask-sphagnum bog openings and edges Old fields, meadows, prairies, disturbed areas and roadsides. Open forests and edges, brushy fields, oak-pine barrens and roadsides. Open forest, especially aspen in Northern areas, edges, cut-ower forest brushy fields, boas, disturbed areas and Oak or oak-pine scrub, chaparral, barrens; on well- drained sandy or shaly soils
Jutta Arctic Milkweed Butterflies Monarch Skippers Northern Cloudy Wing Dreamy Dusky Wing	Oeneis jutta ascerta Danaus plexippus Thorybes pylades Eryannis icelus	Black spruce-tamarask-sphagnum bog openings and edges Old fields, meadows, prairies, disturbed areas and roadsides. Open forests and edges, brushy fields, oak-pine barrens and roadsides. Open forest, especially aspen in Northern areas, edges, cut-over forest brushy fields, boas, disturbed areas and Oak or oak-pine scrub, chaparral, barrens; on well-drained sandy or shaly soils Scrub oak woods, edges, cut-over forests and roadsides.
Jutta Arctic Milkweed Butterflies Monarch Skippers Northern Cloudy Wing Dreamy Dusky Wing Sleepy Duskywing	Oeneis jutta ascerta Danaus plexippus Thorybes pylades Eryannis icelus Erynnis brizo	Black spruce-tamarask-sphagnum bog openings and edges Old fields, meadows, prairies, disturbed areas and roadsides. Open forests and edges, brushy fields, oak-pine barrens and roadsides. Open forest, especially aspen in Northern areas, edges, cut-ower forest brushy fields, boas, disturbed areas and Oak or oak-pine scrub, chaparral, barrens; on well-drained sandy or shaly soils. Scrub oak woods, edges, cut-over forests and roadsides. Rocky deciduous or mixed woodland and edges, especially in rayrens or quillies
Jutta Arctic Milkweed Butterflies Monarch Skippers Northern Cloudy Wing Dreamy Dusky Wing Sleepy Duskywing Juvenal's Duskywing	Oeneis jutta ascerta Danaus plexippus Thorybes pylades Eryannis icelus Erynnis hrizo Erynnis juvenalis	Black spruce-tamarask-sphagnum bog openings and edges. Old fields, meadows, prairies, disturbed areas and roadsides. Open forests and edges, brushy fields, oak-pine barrens and roadsides. Open forest, especially aspen in Northern areas, edges, cut-over forest brushy fields, boas, disturbed areas and Oak or oak-pine scrub, chaparral, barrens; on well-drained sandy or shaly soils. Scrub oak woods, edges, cut-over forests and roadsides. Rocky deciduous or mixed woodland and edges, especially in arvines or aulilies. Open areas including mountain grasslands, marshes, sand plains, seeps, and streamsides
Jutta Arctic Milkweed Butterflies Monarch Skippers Northern Cloudy Wing Dreamy Dusky Wing Sleepy Duskywing Juvenal's Duskywing Columbine Duskywing	Oeneis jutta ascerta Danaus plexippus Thorybes pylades Eryannis icelus Erynnis brizo Erynnis juvenalis Erynnis kuclius	Black spruce-tamarask-sphagnum bog openings and edges Old fields, meadows, prairies, disturbed areas and roadsides. Open forests and edges, brushy fields, oak-pine barrens and roadsides. Open forest, especially aspen in Northern areas, edges, cut-ower forest brushy fields, boas, disturbed areas and Oak or oak-pine scrub, chaparral, barrens; on well-drained sandy or shalv soils. Scrub oak woods, edges, cut-over forests and roadsides. Rocky deciduous virused woodland and edges, essecially in viruse or ordilies Open areas including mountain grasslands, marshes, sand plains, seeps, and stremsides Forest openings and edges, stream amrgins, bogs and swamps.
Jutta Arctic Milkweed Butterflies Monarch Skippers Northern Cloudy Wing Dreamy Dusky Wing Sleepy Duskywing Juvenal's Duskywing Columbine Duskywing Persius Duskywing	Oeneis jutta ascerta Danaus plexippus Thorybes pylades Eryannis icelus Erynnis brizo Erynnis juvenalis Erynnis kuclius Erynnis persius	Black spruce-tamarask-sphagnum bog openings and edges Old fields, meadows, prairies, disturbed areas and roadsides. Open forests and edges, brushy fields, oak-pine barrens and roadsides. Open forest, especially aspen in Northern areas, edges, cut-ower forest brushy fields, boas, disturbed areas and Oak or oak-pine scrub, chaparral, barrens; on well-drained sandy or shalv soils. Scrub oak woods, edges, cut-over forests and roadsides. Rocky deciduous or mixed woodland and edges, especially in ravines or quillies. Open areas including mountain grasslands, marshes, sand plains, seeps, and streamsides. Forest openings and edges, stream amrgins, bogs and swamps. Streamsides, marsh borders, brushy swamps, ditches and along drains.
